Dear Parents and Guardians,

Your child's class is planning a field trip to the public library. Everyone who has a library card will be allowed to check out books. The card is free and checking out is also free as long as the materials are returned on time.

If you want your child to have a library card, please fill out the form below and return it to your child's classroom. The teacher will bring the forms to the library a day or two early so that library cards can be ready and waiting when the children arrive.
