

For 2013, we plan to focus on:

Early Learning

 Spark children's interest in reading through weekly Preschool Storytimes and other reading-readiness oriented programs and events.

Advocacy

- Raise the profile of the library and its resources at monthly meetings of community associations.
- Work with the Friends of Point Roberts Library to support fundraising efforts for the library expansion project.

Access

- Introduce the library's digital resources to patrons.
- Respond to community needs by offering a citizenship class.

Building Community

 Continue to serve as a place where people can "collide" and find community through joke nights, game nights, Knit Night, and other programs that bring people together.

CONNECTING INFORMATION, IDEAS, AND COMMUNITY

Recent Accomplishments!

 Friends of the Point Roberts Library have risen to the challenge of transforming the former Julius Firehall into a new library for Point Roberts. They formed a library

expansion committee, drew up plans to remodel the old firehall, and began fundraising.

- The Friends have achieved generous community involvement fundraising for library building project.
- The library served as a community center for Wi-Fi users.

 Increased open hours for summer visitors and local patrons during busy summer months.

The **Point Roberts Public Library** staff provide friendly and helpful service to area residents and visitors as part of the Whatcom County Library System.

Whether choosing your next book, helping you with eBooks and technology, answering information and research questions, or connecting you to the online world, the library staff prides itself on making your library visit, in person or virtual, a positive and successful experience.

Point Roberts Library offers a welcoming and playful kid's area, and space for browsing, research, and internet access for everyone to enjoy. **Check us out!**
