

## Information for Authors & Artists

WCLS is interested in materials that are written and/or published locally, especially materials about Whatcom County and western Washington. It is sometimes difficult for us to identify these materials so we appreciate authors and artists bringing them to our attention.

**To have your book, CD, or DVD considered for addition to the library collection, please use one of the following methods:**

**1. Submit a Collection Suggestion Form about your title (do not include a copy unless it is a donation) to:**

Whatcom County Library System  
ATTN: Collection Manager  
5205 Northwest Drive  
Bellingham, WA 98226

The title will be evaluated as would any other title being considered for the collection (see the WCLS [Collection Policy](#) for more information). The library appreciates your submission, but is not able to respond directly to each author or artist.

**2. Donate a copy of your title to:**

Whatcom County Library System  
ATTN: Collection Manager  
5205 Northwest Drive  
Bellingham, WA 98226

Information about donation of materials is outlined in the WCLS [Gift Acceptance Policy](#). Due to the volume of material received, we are not able to return donated copies of works that are not solicited by our staff.
