Reservations are limited to one per week for groups of four or more people. Please notify the Library at least 24 hours before a meeting if it must be canceled to avoid cancellation of future reservations.

For rental rate purposes, use of library facilities must be identified as being either commercial or non-commercial.

Non-Commercial Use: (Schedule A)

No admission fee is charged and no donations of money or other property will be solicited. No products or services may be advertised, solicited or sold with the exception of books and other resources sold at library-sponsored events.

Commercial Use: (Schedule B)

Meeting or event may charge admission, class fees, sell tickets or other items, solicit donations, or promote a commercial business. Examples include classes or services which charge fees, fundraisers, performances which charge admission, and any event that includes food or merchandise vendors. Rental fee may be waived when a service club or other not for profit group is fundraising for charitable purposes.

Fees: For rental rates, see the Meeting Room and Facilities Use Fee Schedule. If special cleaning or repair is required as a result of use by a person or group, WCLS may charge the contact person an amount equal to the cost incurred by WCLS to return the meeting room to its previous condition. There may be a fee associated with use of meeting rooms before/after regular business hours. If applicable, this fee will be assessed by WCLS, the building owner or Friends of the Library group on a case-by-case basis.

Available Equipment: Audio/Visual equipment such as computer, projector, and assistive listening devices are available upon request in selected meeting rooms. There is limited availability of tables and chairs. See room details below for more information regarding available equipment.

Food: Food may be served in meeting rooms.

Alcohol: Alcohol is allowed on WCLS premises only after hours and on a limited basis with prior approval from the Library Board.

Indemnity Agreement: The applicant is responsible for any damage to the facility and equipment that occurs in their use.
