

AUGUST KIDS SCAVENGER HUNT

Week 12

Try this scavenger hunt at night, and bring a flashlight... can you find:

- A constellation
- Something moving in the night sky
- A cool or creepy looking shadow
- The brightest natural source of light
- The brightest man-made source of light
- A night sound
- Something that glows or reflects light in the dark
- A flying insect or animal
- A good spot to tell a spooky story or campfire story

Something that looks totally different in the dark
