

The Library Game

Get a Book Pocket. Collect Cards. Become a Legend.

Tell us your library story! Collect your card!

We want to hear from you.

The Library Story Project is a collection of stories from library patrons and library lovers.

We are looking for people who will give us their thoughts:

How has the library impacted your life? Why do you love the library?

What is something about the library you wish more people knew about?

What is something fun that has happened to you at the library?
